FOR IMMEDIATE RELEASE:

(MACON, MO) – Macon County Health Department has confirmed another case of COVID-19 in Macon County. This totals 6 cases in the county; 4 active and 2 recovered.

The person has been self-quarantined prior to testing and self-isolated after testing. This is a community-spread case. Contact tracings have been initiated and anyone with direct contact to the positive case starting 48 hours before symptoms began will be contacted.

The Macon County Health Department continues to encourage social distancing, proper handwashing, and staying home when you are sick to help prevent the spread of the virus.

If you feel sick or begin to exhibit symptoms of COVID-19, stay home to avoid possible transmission to others. Call your healthcare provider to discuss your symptoms, treatment, and testing availability. You may also contact the Macon County Health Department at 660-395-7618.
