FOR IMMEDIATE RELEASE: County Update

(Macon County, MO) Macon County Health Department announces 4 new positive COVID-19 cases: 1 from Saturday 7/18, 2 from Monday 7/20; and, 1 new case today. No announcements were made through the weekend due to preparations for Monday's mass testing. Macon County's total is now 43 cases with 11 active cases of which 3 are hospitalized.

The Missouri National Guard tested a total of 249 Missouri residents on Monday at Macon County fairgrounds. Per the Department of Health and Senior Services, results of those tests will be known after three days. Missouri National Guard will notify each individual tested, whether positive or negative, and positive test results will be provided to the health department in the county of the individual's residence for follow up and contact tracing.
