### FOR IMMEDIATE RELEASE

(Macon County, MO) – The Macon County Health Department announces three new cases of COVID-19 in the County. One is a female under age 19, one is a male age 40-49 and one is a female age 40-49. Two positives are school related and one is community spread.

At the time of this press release, the following reflects cases in Macon County –

- 192 positive cases
- 34 active positive cases
- 2 hospitalized (included in the active positive case count)
- 158 released from isolation

The state of Missouri added 1,463 positive cases in the last 24 hours, bringing the state total to 114,307 positive cases of COVID-19.

Please continue to help us stop the spread of COVID-19 in Macon County by practicing social distancing of at least 6 feet between others not in the same household, wearing a mask that covers the nose and mouth, and practicing good hand hygiene.
