

# 2021 Selling Local Foods in Missouri Series

**Session 1 (March 2)- Resources Available From MDA and MU Extension.** Explore resources for producers selling local food offered by MDA & MU Extension.

**Session 2 (March 9)- Selling Meat and Poultry.** Learn the state regulations you need to know to sell your meat and poultry locally and learn best practices from a successful livestock producer.

**Session 3 (March 16)- Selling Produce and Eggs.** Learn the state regulations you need to know to sell your produce and/or eggs.

**Session 4 (March 23)- Selling Value-Added Products.** Learn the state regulations you need to follow to sell value-added products, such as canned products, baked goods, etc.

Looking for more valuable information on how to increase your production, better market your agriculture product, or reduce waste/surplus in your business? Check out the MU Extension Food Systems website for all information related to building and maintaining a sustainable food business available from MU Extension.
